

Prospective LD Bell Blue Raider Volleyball Supporter:

For over 60 years, LD Bell has been an integral part of the HEB community. LD Bell athletes have provided this community with not only competition and good sportsmanship, but gifts of service that have contributed to the overall benefit of this community. It is not uncommon to see LD Bell athletes serving others across this community.

Now is your chance to support a school that has given so much back to the local community. We are currently raising funds to support the 2021 volleyball season. Your generous support goes towards purchasing new equipment, continuous upgrades to our training equipment, pays for banners and other recognition of our players, subsidizes the end of year banquet, and most importantly, enables us to award scholarships to our seniors to help subsidize the rising costs of college tuition and books.

You are invited to join the LD Blue Raider volleyball team and benefit from the recognition of your support of LD Bell athletics. Our players, coaches, parents, and fans are diligent in their ongoing promotion and support of our sponsors.

Enclosed with this letter is information regarding our 2021 volleyball sponsorship opportunities. We have developed several promotional levels designed to meet a wide range of advertising budgets. Regardless of the sponsorship size, our athletes are thankful for any help you and your company may provide!

Please complete and sign the attached form today! Once completed, please scan and email a copy to Matt Eiserloh at meiserloh@att.com. Matt will reach out to collect a high-resolution logo and other needed materials to begin promoting your business today!
